(57) **CLAIM**

The ornamental design for an umbrella planter, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of an umbrella planter of the present design with two halves of the umbrella planter positioned on a support table around an umbrella pole, the support table and umbrella pole shown in broken lines;

FIG. 2 is a top perspective view of the umbrella planter of the present design with the two halves of the umbrella planter of the present design spaced apart;

FIG. 3 is a top perspective view of one half of the umbrella planter of the present design, the second half being identical thereto;

FIG. 4 is a bottom perspective view of one half of the umbrella planter of the present design, the second half being identical thereto;

FIG. 5 is a front view of one half of the umbrella planter of the present design, the second half being identical thereto;

FIG. 6 is a rear view of one half of the umbrella planter of the present design, the second half being identical thereto;

FIG. 7 is a left side view of one half of the umbrella planter of the present design, the second half being identical thereto;

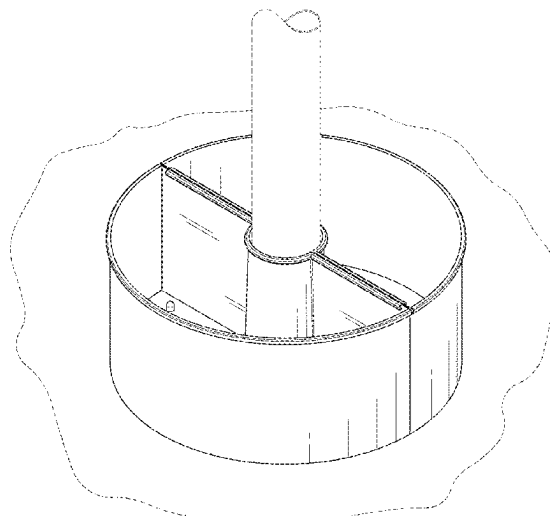

FIG. 8 is a right side view of one half of the umbrella planter of the present design, the second half being identical thereto;

FIG. 9 is a top plan view of one half of the umbrella planter of the present design, the second half being identical thereto; and,

FIG. 10 is a bottom plan view of one half of the umbrella planter of the present design, the second half being identical thereto.

In the drawings, the broken lines depict environmental subject matter only and form no part of the claimed design.
