(57) **CLAIM**

The ornamental design for a computer display system or
portion thereof showing a graphical user interface having a
three dimensional appearance as shown and described.

DESCRIPTION

The sole FIGURE is a computer display system or portion
thereof with a graphical user interface having a three-
dimensional appearance showing the claimed design.
The peripheral broken lines in the FIGURE show the
computer display system or portion thereof, and form no part
of the claimed design.

The remaining dashed broken lines, showing portions of the
graphical user interface and the appearance of a three-
