USPC: D14/485-495

Description

- (1) The FIGURE is a front view of a display screen with graphical user interface.
- (2) In the drawing, the outer broken lines depict the environment and display screen and form no

part of the claimed design. The remaining broken lines depict portions of the graphical user interface that form no part of the claimed design.

Claims

The ornamental design for a display screen with graphical user interface as shown and described.
