USPC: D14/485-495

Description

- (1) The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing the new design.
- (2) The outermost dot-dashed lines in the FIGURE show a display screen or portion thereof and form no part of the claimed design. The remaining broken lines form no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.
