USPC: D14/489-495; D14/485-48; D14/485-488

Description

- (1) The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface for a medical device.
- (2) In the sole FIGURE, the outermost dot-dash broken line showing a boundary of the display screen or portion thereof forms no part of the claimed design. The remaining dash-dash broken line showing the graphical user interface forms no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with graphical user interface for a medical device, as shown and described.
