(57) **CLAIM**

The ornamental design for a compressor-free air lubrication system, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a compressor-free air lubrication system showing my new design;
FIG. 2 is a front elevational view thereof;
FIG. 3 is a top plan view thereof;
FIG. 4 is a bottom plan view thereof;
FIG. 5 is a rear elevational view thereof;
FIG. 6 is a right side elevational view thereof; and,
FIG. 7 is a left side elevational view thereof.
The broken lines shown depict portions of the compressor-free air lubrication system that form no part of the claim.
